Dear Bill:

On behalf of the members of the National Rifle Association in Florida, the NRA Political Victory Fund is proud to endorse your candidacy in the 2008 Republican primary election in Florida's fifteenth congressional district. Based on your legislative record in the Florida Senate and House of Representatives, as well as your responses to the 2008 NRA Federal Candidate Questionnaire, you have *earned* an "A" rating by the NRA-PVF in this election.

As a member of the Florida Senate and House of Representatives, you have demonstrated a proven commitment to defense of our Second Amendment rights and hunting heritage through your votes and support for many state pro-gun reforms during your tenure in office.

The NRA-PVF urges all NRA members and other gun owners and sportsmen in Florida's fifteenth congressional district to vote for you in the Republican primary election on August 26.

Again, thank you for your support for Florida's gun owners and sportsmen. If we can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Charles H. Cunningham
Director of Federal Affairs
National Rifle Association
