For the following reasons, Bill Posey has received our endorsement and "A" rating:

- **Supports Right-to-Carry** – Voted for the strongest Concealed Carry Reciprocity legislation ever to come before the U.S. Congress, which would ensure that the nearly 20 million law-abiding Americans who can carry a concealed firearm in their home state are able to do so in any other state that does not prohibit it.

- **Opposes Semi-Auto Ban** – Opposes any legislation that would ban commonly owned firearms used for hunting, recreational shooting and self-defense.

- **Opposes Backdoor Gun Ban** – Voted to repeal an Obama-era scheme that forced Social Security recipients to choose between their benefits and their Second Amendment right to possess a firearm.
- **Opposes Government Blacklists** – Opposes legislation denying persons on secret government lists their Second Amendment right to purchase or own a firearm without due process.
- **Supports America's Hunting Heritage** – Voted to increase access and expand opportunity for sportsmen in Florida and across the United States.
- **Opposes Operation Choke Point** – Voted for legislation to end an abusive Obama-era program, known as Operation Choke Point, in which the Department of Justice intimidated banks into refusing or severing financial services to legally-operated ammunition and firearms dealers.
